**Denver – August 7, 2006** – Certified Financial Planner Board of Standards, Inc. (CFP Board) has awarded a total of \$875,567 in grant funding to 20 projects that are developing innovative and sustainable methods of bringing the benefits of financial planning to communities not traditionally reached by the financial planning profession.

The grant funding was awarded through CFP Board's first major grants program and announced at CFP Board's Annual Meeting in Santa Monica on August 5, 2006.
